Your Health Information

To enable ongoing care and total quality improvement within this practice and in keeping with the Privacy Act (1988) and the National Privacy Principles, we wish to provide you with sufficient information on how your personal health information may be used or disclosed and record your consent or restrictions to this consent.

Your personal health information will only be used for the purposes for which it was collected, or as otherwise permitted by law and we respect your right to determine how your personal health information is used or disclosed. The information we collected may be collected by a number of different methods and examples may include: medical test results, notes form consultations, Medicare and health insurance details, data collected from observations and conversations with you, and details obtained from other health care providers (eg. specialist correspondence).

By signing below, you (as a patient/guardian) are consenting, that on obtaining your personal health information it may be used or disclosed by the practice for the following purposes:

- follow up reminder/recall notices for treatment and preventive healthcare;
- for accounting procedures and the collection of professional fees;
- the diagnosis and treatment of any health condition, including the communication of relevant information only, to practice staff, specialists and other healthcare providers to ensure quality care is provided;
- for Accreditation and Quality Assurance activities which are conducted by professionally trained non-treating GPs and other professionally trained and qualified persons, eg. General Practice Managers;
- for legal related disclosures, as required by Court of Law;
- for the purposes of research where de-identified information is used;
- to allow medical students and staff to participate in medical training/teaching using only de-identified information;
- for disease notification, as required by law;
- For use when seeking treatment by other doctors in this practice.

At all times, we are required to ensure your details are treated with the utmost confidentiality. Your records are very important and we will take all steps necessary to ensure they remain confidential.

I, _____, give my permission for my personal health information to be collected, used and disclosed above. I understand only my relevant personal health information will be provided to allow the above actions to be undertaken and I am free to withdraw, alter to restrict my consent at any time by notifying this practice in writing.
